Poppyscotland would like to thank Tain Golf Club for choosing it as a beneficiary of what promises to be a fantastic event. Poppyscotland is the largest veteran’s charity in the country and works all year round to provide welfare support to our veterans and their families living throughout Scotland. The welfare centre in Inverness has directly assisted nearly 300 veterans and provided information to thousands more since opening its doors in 2013. So please support the Business & Charity Golf Day on the 8th June and help make a real difference too.
